ROYAL MINT,
LONDON, E.C.3.

15th January, 1936.

Dear Sir,

I beg to refer to your letter of the 7th ultimo addressed to Sir Robert Johnson in which you ask that a copy of the King's Silver Jubilee Medal shall be presented to your Society for display in the museum.

In reply I am to explain that the Royal Mint struck the medals at His Majesty's command and that in consequence the decision as to whether a medal can be presented does not rest with this Department.

His Majesty's Private Secretary has however been consulted in the matter and I now hear from him that it would be desirable that your application be made through His Majesty's Ambassador at Washington who doubtless would forward it to His Majesty together with a recommendation.

In the circumstances no doubt you will proceed on these lines.

Yours faithfully,

W. Berry

Chief Clerk.

The Curator,
The American Numismatic Society.
